## ABOUT EBSCO

EBSCO has served the library industry for more than 60 years. By placing customers at the core of our business, we have tapped their ingenuity to assist us in developing the high quality products and services for which EBSCO is known. EBSCO is the only company to provide customers with an integrated service that combines reference databases, subscription management, online journals, books, linking services and A-to-Z solutions. Always at the leading edge, we continue to work to identify new challenges and combine technology with data to meet the information needs of our customers worldwide.

EBSCOhost databases are the most-used, premium online information resources for tens of thousands of institutions worldwide, representing millions of end-users....
